## OUR PROGRAM

CORSTUDIOS Little Cor Movers was created to bridge the gap between preschool dance classes and regular skills classes. We are so excited to continue to get bigger and better than ever in 2023.

The program is specifically designed for preschoolers aged 12 months -5 years and is built on the ethos of fun, friendly and educational based dance training.

Students are taught the important foundations of dance through fun songs, routines and interactive games using props.

Our Boogie N Bop Program is for 12-24-month olds and focuses on the development of fine motor movements and basic skills. This is a dance based program that involves balancing, singing, music and play.

Little Cor Big Top teaches the building blocks of circus skills. This includes skills such as juggling, hoops, stilt walking and hand balancing with special workshops in silks and lyra. With creativity and imagination as our focus, Big Top assists students with their overall coordination and confidence when using props.

Our Tumblers program is a true favourite with our focus being on basic gymnastics and tumbling skills. This includes apparatus such as beam, ribbons, ball, hoop, flower sticks (baton) and acrobatic skills. Working on overall flexibility and core stability whilst focusing on fun and educational learning.

Lastly, our Groovers program is for our 3-5 year olds who just do not stop moving. The program sets students up for the the important transition into dance and teaches the basics in Jazz, Hip Hop, Tap, Ballet and Music.

# UNIFORM

Uniform is a really important and compulsory part of being in the LITTLE COR MOVERS family.

We cannot stress the value of uniform as it:

- ~ Gives students a sense of belonging
  - ~ Promotes unity and LITTLE COR MOVERS studio spirit
  - ~ Encourages positivity and teamwork
  - ~ Helps to build CONFIDENCE
- ~ Assists educators to correctly identify and make sure students are in the right place

ALL LITTLE COR MOVER UNIFORM CAN BE PURCHASED THROUGH OUR UNIFORM SHOP AT OUR BURSWOOD STUDIO.

LITTLE COR MOVERS have their very own uniform that we know you will love. Throughout the year we release special uniform items for order, so we know we have something to suit everybody!

Appropriate shoes can be purchased from our uniform shop. We strongly advise against purchasing 'cheap' dance shoes for dancer safety and correct development.

Basic uniform includes - LITTLE COR MOVERS Tee, Black Leggings/Shorts or Skirt and Ballet Shoes.

### Lesmurdie

FRIDAY

4:00–4:30PM : Big Top  
4:30–5:00PM : Groovers  
5:00–5:30PM : Tumblers

## FAQ'S

### **IS THERE AN END OF YEAR SHOWCASE?**

Yes! Being the ultimate crowd favourite, we love to have our Little COR Movers students involved in our end of year concert.

This is where family and friends can have an afternoon of entertainment watching their little ones shine on a big stage and show off all they have learned throughout the year.

Our dates are available in our main 2023 prospectus although we limit the amount of rehearsals for our Little Cor Movers Students

### **CAN PARENTS SIT IN AND WATCH THE CLASS?**

Our experience shows that the learning environment is more effective when adults and siblings are not distracting the dancers. However, if students are scared or nervous in the first couple of weeks parents are welcome to stay to help them feel comfortable.

Our studios are situated only a few minutes away from the Vic Park cafe strip, so we encourage families to relax and grab a coffee while they wait for class to finish.

We also have many allocate family involvement days such as Mothers Day and Fathers Day where parents are not only invited to watch, but to join in on the fun!

### **ARE THERE PERFORMANCE OPPORTUNITIES?**

Apart from our end of year showcase, our LITTLE COR MOVERS students are offered optional opportunities to take part in community performances such as the Perth Royal Show, Telethon and Channel 7 Christmas Pageant; as well as opportunities to dance at local competitions.
