VIEWING CLASSES

VIEWING CLASSES

Parents are welcome to watch their child's first class only from designated viewing areas. No parents are to enter the studio.

Particularly with our younger students, parents can cause unnecessary distraction to students' learning, and we find students can become upset or clingy, preventing the teacher from being able to build relationships with his/her students and conduct their class properly. Watching weekly classes is not allowed and classes will be closed off during term unless it is a designated viewing week (or parent participation week for our Little COR Movers classes).

DESIGNATED PARENT VIEWING WEEKS

~Parents are invited to watch classes during the final week of Term 1 & 2. There will be no viewing weeks in Term 3 & 4 as we wish to keep our showcase routines a surprise.

SHOWCASE

END OF YEAR SHOWCASE

All enrolled CORSTUDIOS students are invited and encouraged to participate in our annual showcase. Although it is not compulsory, the showcase is highly recommended for students to have something spectacular and exciting to work towards. It is important for their growth and development as dancers, while improving their confidence and performance experience. Students benefit greatly from taking part in a full-scale production whilst giving friends and family the opportunity to watch their loved-ones perform.

There are extra fees involved with showcase participation. This involves a registration fee including an exclusive showcase t-shirt, costume costs and small rehearsal levy. Please see IMPORTANT DATES page for all proposed rehearsal & show dates.

By registering for showcase you are agreeing and committing to attend all rehearsals and shows.

Registrations for showcase will open on our website at the beginning of Term 3, 2025. Please see "Important Dates" page for schedule.

COMPANY & COMPETITIONS

CORSTUDIOS provide performance opportunities through Company at both competitive and community events. Participation in company allows students to gain skills in working as a team, building studio spirit and extending relationships with their peers; as well as gaining stage and performance experience, building their performance resumes and extensively expanding their skill set and knowledge base, giving them a head-start in building the tools for a career in the performing arts.

Participation in Company requires a higher level of commitment from both students and parents and often involves giving up weekends throughout the term.

Full participation is necessary as it is a team where students rely on one another to achieve their best.

To join our company groups you must be enrolled in and attending the following weekly classes:

Petite/ Junior Company:

One year minimum prior training under CORSTUDIOS. Enrolled in Jazz/Tap & Classical (Acrobats is also strongly desirable).

UNIFORM

UNIFORM REQUIREMENTS

At CORSTUDIOS we believe that uniform contributes to the sense community and family values we aim to strive for through our studio. All students at CORSTUDIOS are required to wear correct dance attire and display impeccable grooming in all classes.

We cannot stress the importance of uniform as we believe that it

- ~ Gives students a sense of belonging
- ~ Promotes unity and studio spirit
- ~ Encourages positivity and teamwork
- ~ Helps to build confidence
- ~ Encourages discipline and respect, not only for the studio, but for the dancer
- ~ Assists educators to correctly identify and make corrections and adjustments to the dancers technique

The CORSTUDIOS uniform is strictly base black & white plus any of the uniform accessory items. Classical ballet strictly requires COR black leotard, pink ballet stockings (pink ballet socks for summer) and pink ballet shoes. We recommend tight fitting clothing for acrobatics as loose clothes can become a safety hazard when throwing for flips and hard tricks.

Hair must ALWAYS be pulled neatly back and away from the face. This not only displays pride and grooming in a dancer, but also prevents hair from getting in the way and becoming a safety hazard. Hair must be worn in a bun for ballet.

It is imperative that appropriate shoes are worn in all classes. We allow a two week grace period to allow students and parents to purchase the correct shoes. After this period, the student may be asked to sit out until they have the appropriate shoes.

For convenience, we have an on-site uniform shop where you can purchase / order all of your dance uniform and shoes. Opening hours can be found on our website.

COMPANY MEMBERS

All company members are required to purchase the 2025 Company uniform at the time of registration. This includes a personalised tracksuit & CORSTUDIOS t-shirt. Company uniform must be worn to and from all performances and competitions.

EXAM UNIFORM

Exam uniforms are a compulsory under the COMDANCE Society guidelines. This uniform is available for purchase from our uniform shop.

SOCIAL MEDIA

PHOTO & VIDEO

Throughout the year, photography and videography take place both in the studio and at events involving CORSTUDIOS students. This footage is often used for promotional and advertising purposes by CORSTUDIOS and its affiliates. By enrolling your child, you understand and agree to permit all photos and video footage containing your child to be used for archival and/or advertising purposes. This includes, but is not limited to:

- ~ Facebook, Instagram, YouTube and other social media platforms
- ~ CORSTUDIOS website: www.corstudios.com.au
- ~ Print forms such as information packs, flyers, newsletters, posters, programs and studio handbooks
- ~ Showreels
- ~ Performance USB video for end of year showcase
- ~ Kept in archives to use for a maximum of 5 years.

SOCIAL MEDIA & ADVERTISING

We often share our studio goings-on on our social media platforms to allow the public to see the talent, family and fun we love having in our studio. We often use these platforms as a way for parents and students to connect with us and stay up to date with what is happening throughout the year.

We do however understand that social media is not for everyone and if you would prefer that we avoid including your child in our posts, please do not hesitate to let us know, in writing, at time of registration.

Students and parents are encouraged to post on their own social media platforms. All CORSTUDIOS related posts must tag our official pages below and obtain permission from parents of minors before including other students in a post.

CORSTUDIOS reserve the right to request that any post be removed if not deemed appropriate or in good image for the studio and its students.

EXAMINATIONS

CORSTUDIOS is a member of the Commonwealth Society of Teachers of Dance (COMDANCE). We offer examinations in Jazz, Tap, Classical Ballet, Contemporary & Acrobatics. COMDANCE has been one of the leading syllabi in Australia for over 80 years and has international accreditation. The syllabus is consistently updated to keep up with the trending forms of dance and is choreographed by some of Australia's leading talents. Examinations give our students the challenge of working toward a goal and receiving feedback and acknowledgement of their achievements in dance. While we think examinations are a great accolade to have, they are optional to our students.

WHAT WE OFFER

A description of the genres we offer at CORSTUDIOS

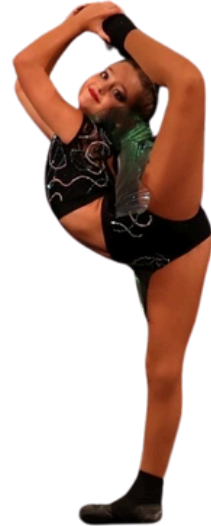

ACROBATS

Acrobat classes are offered for all ages and are scaled by level of ability, rather than age. Students will have the opportunity to move up levels throughout the year.

Beginner classes focus on building strength and flexibility as well as skills such as cartwheels, bend backs, balances, round-offs and basic partnering.

Our advanced levels work up to aerial tricks, tumbling, contortion and balancing.

Students are safely assisted with skills on a mat by experienced instructors.

CLASSICAL BALLET

Classical provides the technical foundation for all other genres and is regarded as a vital training area in competitive or professional level performing arts. Classical is a disciplined craft, which focuses on posture, strength, flexibility, control, grace and becoming a more polished overall dancer.

We follow the CSTD (Commonwealth Society of Teachers of Dancing) syllabus.

Pointe work is offered to our Teen and Senior age groups and requires a high level of strength through the feet and ankles. Pointe shoes can be obtained at the discretion of the teacher.

LYRICAL

Lyrical is an expressive art form using flowing, emotive movements. Combining ballet, jazz and contemporary movements, lyrical requires a strong technical grounding and when done well, can be really beautiful to watch.

WHAT WE OFFER

A description of the genres we offer at CORSTUDIOS

SILKS & HOOPS

Silks & Hoops is our specialist aerial skills class. It teaches students to fly-high using specially rigged aerial equipment. It requires a lot of strength, trust and is not for the faint-hearted, but can build student confidence while having so much fun. Students are assisted by trained instructors using mats to gain a set of really unique and special skills that are highly sought-after in the current professional industry. Classes are kept small to ensure proper training and one-on-one time, so positions in these classes are very limited.

CONTEMPORARY

Similar to Lyrical, Contemporary is an expressive form of dance combining elements of jazz, lyrical and classical. Contemporary strives to use alternative and unusual style by mixing flowing movements with rigid ones to create abstract and interesting phrases.

TAP

Tap is a form of percussion, which creates rhythm and sound by striking the floor with shoes fitted with heel and toe taps.. Can be performed accompanied by music or accapella.

JAZZ

Jazz is an extremely diverse and exciting style and CORSTUDIOS aims to cover as many sub-genres of jazz possible. Jazz classes begin with a warmup & stretch, moving onto traveling progressions and finishing with a dance combination.

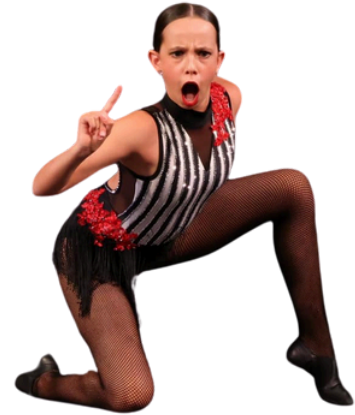

WHAT WE OFFER

A description of the genres we offer at CORSTUDIOS

MUSICAL THEATRE

Musical Theatre classes aim for students to gain understanding of all aspects of musical theatre, combining singing, dancing and acting. Theatre games and exercises are used to develop performance skills in these three areas. Musical Theatre is a fun and exciting class and is a great starting point for those with little to no dance experience.

HIP HOP

Hip Hop classes are full of fun, high energy and are a great style for all levels of ability. Students develop an understanding of rhythm, coordination, isolation and movement while listening to enjoyable and modern music. This style is especially great for boys!

KICKS TURNS LEAPS (KTL)

Learn all the tricks to bedazzle any routine. Kicks Turns Leaps is back by popular demand and speaks for itself. The class is designed to help further students repertoire working specifically on kicking, turning, jumping and leaping and all thats in between.

PROGRESSIVE BALLET TECHNIQUE (PBT)

PBT is an innovative body conditioning and strengthening program designed to enhance student technique, alignment, muscle tone, core strength and injury prevention using aids such as fit balls and exercise bands.
